Products and projects

APP Fatwa — Analisis Jaringan Hukum

Developer · Live research site · Research platform for exploring the MUI fatwa corpus, citation networks, scriptural evidence, jurisprudential maxims, and scholarly opinions, with statistical analysis and an AI assistant.

<https://fatwa.aiethics.id>

ISNaD Biblio and Review

Listed project · Digital platform for bibliometric analysis and systematic literature review.

<https://biblio.ascarya.or.id>

LegalLi-JSON

Listed project · Court-decision knowledge graph project supported by a Wikimedia Indonesia Wikidata Research Grant.

Mapping AI Risks in Society

Listed project · Digital research initiative examining AI risks in society.

<https://www.aiethics.id>

Automatic Evaluation of Qur'anic Exegesis

Developer · Public research code · Research pipeline for evaluating AI responses to Qur'an 9:60 against three classical commentaries, using criteria for interpretive validity, tafsir bi al-ma'tsur structure, and hallucination detection.

<https://github.com/soleh-hukumline/tafsir-eval-public>

El-Kariem

Founder and Developer · Listed project · Digital media platform focused on religious moderation.

<https://elkariem.id>

Wikidata Legal Analysis

Developer · Research prototype · Research prototype for exploring Supreme Court decisions in Wikidata, checking data consistency, visualizing relationships, and matching AI claims against decision data.

<https://github.com/soleh-hukumline/wikidata-legal-analysis>

Sistem Audit Tafsir

Public research tool · Web-based research audit tool for coding errors, assessing quality, and exporting evaluations of AI responses concerning Qur'anic exegesis of 9:60. Heuristic findings require human verification.

<https://github.com/soleh-hukumline/audit-tafsir>

Digital AI Governance Dashboard

Public research code · Research dashboard for legal network analysis connecting AI and cybersecurity incidents with Indonesian and international regulatory provisions.

<https://github.com/soleh-hukumline/digital-ai-governance>

Journal roles
